

Hehe

Yo

There's a reason why they won't mention your name with the great ones
(Why?)

There's no hate, just simply 'cause you ain't one (Nah)

Lord knows all the shit that he escaped from (Yep)

When you used to havin' money, you can make some

Bullshit is done with the fork all in it (Done)

I done had the deed to New York for a minute (Yep)

Either get shot or get hawked to the limit

The flow is top notch and the talk is authentic (Woo)

You know me, sippin' Tequila at the Casino

A lil' Red Bull or chase it with Pellegrino (Yeah)

I been way better than all of 'em niggas that he know (All of 'em)

I'm booked or I'm out the way, I'm on a Lee Low (Low)

And I'll never start it, I just love to finish it

It's even more money and the bars is unlimited (Ever)

I ain't even with the sword fightin', I'll be where the women is (Wha
t's up?)

Standin' on business while I'm standin' on businesses

Imagine you gettin' even with Kiss (Imagine)

Without Wi-Fi, you wouldn't even exist

They was gon' rob you, they couldn't even resist (Mm)

I told 'em the reward ain't even worth the risk

Respect equals decency, this is just heroine

Out the hard drive with a Fentanyl frequency

You should be thankful to have the privilege to speak to me (You're w
elcome)

Two guns up to give the bullets out equally (Grr)

Guerilla warfare, it's more there

When they hear that I'm cookin' up, they all scared, yeah

Fist bump, never dap (Never), this is how I level rap (Yeah)

Refugee rebel rap, slide off, paddle back

GT performer, I'm just gettin' warmer (Uh-huh)

I thought I could make the Forbes list off the corner (Yeah)

Persevere, then we learn from the losses

Whole time real money was in the corner office (Woo)

Ain't enough room y'all, make a nigga boom y'all

I'm in the back of the new 7 on the Zoom call (Uh)

If you don't know, just don't know, don't assume (Nah)

Light somethin' up, get a drink or hit a shroom (Yeah)

Leave that cappin' shit at home, yeah

If somethin' happens, then we grown, word

All I do is hold my own, just beats and rhymes

It's the rappin' nigga, come on, nigga
