

# Houdini

Jade Bird

It's a quarter to three  
And it's clear, clear to me that you're leaving  
Usually we don't come  
Come to blows till the evening

Now the neighbours are out  
On the street  
Tryna hear what we're screaming  
About

Oh, if they need a one to one  
A reason or an explanation  
If they need lessons on leaving  
I'll send them to you, Houdini

Oh, you're looking at me like you can't  
Quite believe what you're feeling  
But I've always known that you'd go  
Without giving a reason

Oh, you start a war  
Slam the door  
Throw it all in my face  
So I don't want you to stay

If they need a one to one  
A reason or an explanation  
If they need lessons on leaving  
I'll send them to you, Houdini

I'll make my day and trade your place  
With anyone who's not walking away again  
I blame each escapade  
On my mistakes, for not letting all this end

If they need a one to one  
A reason or an explanation  
If they need lessons on leaving  
I'll send them to you, Houdini

If they need a one to one  
A reason or an explanation  
If they need lessons on leaving  
I'll send them to you, Houdini
