

She Don't Know

Jade Eagleson

She don't know a Brave from a Buccaneer
A Firestone from a Goodyear
And I don't care
And she don't know the hell I used to raise
Back in my bad ol' days
Before she got here

She knows and I know
That I'd be a mess without her
I ain't crazy
I'm just crazy 'bout her

When she says, "How long?" I say, "Forever"
Asks when I'm leavin', I tell 'er, "Never"
And sometimes I don't say nothin', 'cause
A kiss just says it better
Says, "Did ya miss me?" I say, "All day"
Asks if I'm fallin', I tell her, "Too late"
Sometimes I tell I her in a love song just in case
So there ain't no way that she don't know

She don't know

She don't know how fast this old heart beats
When she says she loves me
I still can't believe
That no matter how much I say it
I can't find the words to say it like I mean it
But I mean it

When she says, "How long?" I say, "Forever"
Asks when I'm leavin', I tell 'er, "Never"
And sometimes I don't say nothin', 'cause
A kiss just says it better
Says, "Did ya miss me?" I say, "All day"
Asks if I'm fallin', I tell her, "Too late"
Sometimes I tell I her in a love song just in case
So there ain't no way that she don't know

She don't know

She knows and I know
That I'd be a mess without her
I ain't crazy
I'm just crazy 'bout her

When she says, "How long?" I say, "Forever"
Asks when I'm leavin', I tell 'er, "Never"
And sometimes I don't say nothin', 'cause
A kiss just says it better
Says, "Did ya miss me?" I say, "All day"
Asks if I'm fallin', I tell her, "Too late"
Sometimes I tell I her in a love song just in case
So there ain't no way that she don't know

No, there ain't no way that she don't know
