

Telluride

Jade Eagleson

It's crystal clear
He ain't your John Wayne
I think you already know
Love takes two to two-step
And he don't wanna do-si-do
If forever's on your wanted poster
Then he's just a waste of time
Should you stay or should you leave, girl?
You don't have to ask me twice

I'll tell you, "Ride"
Ride like the wind
Get so far gone there ain't no back again
It's what you need to hear
So it's what I'm gonna say
If you want my cowboy advice, I'd tell you, "Ride away"

It ain't like you need a white horse
You can blaze trails of your own
But there's room here on my saddle
If it's dice you wanna roll
I ain't tryin' to fence you in
Ain't no way I'd slow you down
Whether it's the road to me
Or the one straight outta town

I'll tell you, "Ride"
Ride like the wind
Get so far gone there ain't no back again
It's what you need to hear
So it's what I'm gonna say
If you want my cowboy advice, I'd tell you, "Ride away"

Off in the sunset
Leave a Silverado outlaw cloud of dust
I know there's no tellin' you
But I'll tell you what
I'd tell you, "Ride"
Yeah, I'd tell you, "Ride"

I'll tell you, "Ride"
Ride like the wind
Get so far gone there ain't no back again
It's what you need to hear
So it's what I'm gonna say
If you want my cowboy advice, I'd tell you, "Ride away"

Off in the sunset
Leave a Silverado outlaw cloud of dust
I'll tell you, "Ride"
I know there's no tellin' you
But I'll tell you what
I'd tell you, "Ride"
