

## Love Bites

Jade LeMac

I'm poetically poetic  
But poetically pathetic  
Cause I'd say that you're magnetic  
And you make me feel electric  
So I'd be apologetic  
Cause I know it sounds pathetic  
But you make me want to be poetic

And I dream to be your fantasy  
Oh I'd love you fantastically  
Kiss all of your anatomy  
While we are be living lavishly  
I'll treat you like, "your majesty"  
Bow down to you so happily  
Swear you will always be my fantasy

Wanna give you love bites  
You'll be just fine  
Wanna mark my spot  
Claim you as only mine

Wanna give you love bites  
You'll be alright  
Never wanna stop  
Cause your taste is so divine

I don't wanna hurt you  
I just wanna fight  
I just wanna make you  
Feel it down your spine

Wanna give you love bites  
You'll be alright  
Never wanna stop  
Cause your taste is so divine

Are you nervous now?  
I can calm you down

Can't you see that I'd give you my all  
Can't you see that I'd give you my soul

I'm addicted  
I'm addicted  
To this feeling  
That you're giving

I'm addicted  
Swear that you are my religion

I'm addicted to your state  
Got me craving your taste

Wanna give you love bites  
You'll be just fine  
Wanna mark my spot  
Claim you as only mine

Wanna give you love bites  
You'll be alright  
Never wanna stop  
Cause your taste is so divine

I don't wanna hurt you  
I just wanna fight  
I just wanna make you  
Feel it down your spine

Wanna give you love bites  
You'll be alright  
Never wanna stop  
Cause your taste is so divine

If you bite me I'll bite back  
I'll sink my teeth right in your neck  
If you bite me I'll bite back  
I'll sink my teeth right in your neck  
If you bite me I'll bite back  
I'll sink my teeth right in your neck  
If you bite me I'll bite back  
I'll sink my teeth right in your neck

Wanna give you love bites  
You'll be just fine  
Wanna mark my spot  
Claim you as only mine

Wanna give you love bites  
You'll be alright  
Never wanna stop  
Cause your taste is so divine
