

# Meet You In Hell

Jade LeMac

Look me in my eyes, I know that you're scared  
You see yourself and you cry for help  
Look me in my eyes, tell me it's not fair  
If you taught me well, I'll meet you in hell

I'm your biggest fantasy  
I'm your worst nightmare dressed inside a pretty dream  
You best believe  
I'm your worst fucking enemy  
Unless you bow down and beg for me on your knees  
You best believe

Your love is like a forest fire  
Flames are the words of a cheap liar  
Soon you'll meet me again  
You wish you never sped  
Wish that you were dead  
I come down and I give you some time  
Runaway, then I'll chase you in the night  
And you'll crawl back with a tear in your eye  
Play the game, can't escape 'cause you're in mine  
Now you can

Look me in my eyes, I know that you're scared  
You see yourself and you cry for help  
Look me in my eyes, tell me it's not fair  
If you taught me well, I'll meet you in hell

I'm your biggest fantasy  
I'm your worst nightmare dressed inside a pretty dream  
You best believe  
I'm your worst fucking enemy  
Unless you bow down and beg for me on your knees  
You best believe

M, double E, T, you in hell  
Meet you in H, E, double L  
M, double E, T, you in hell  
Meet you in H, E, double L

Your touch is like a deadly cancer  
Taking a life is so romantic  
Soon you'll meet me again  
You wish you never sped  
Wish that you were dead  
I come down and I give you some time  
Runaway, then I'll chase you in the night  
And you'll crawl back with a tear in your eye  
Play the game, can't escape 'cause you're in mine  
Now you can

Look me in my eyes, I know that you're scared  
You see yourself and you cry for help  
Look me in my eyes, tell me it's not fair  
If you taught me well, I'll meet you in hell

I'm your biggest fantasy

I 'm your worst nightmare dressed inside a pretty dream

You best believe

I 'm your worst fucking enemy

Unless you bow down and beg for me on your knees

You best believe

M, double E, T, you in hell

Meet you in H, E, double L

M, double E, T, you in hell

Meet you in H, E, double L

M, double E, T, you in hell

Meet you in H, E, double L
