Jade Novah

(Ayy, Skimmy, that's you?)  
(That's Fyre)

Baby, when I'm lost, yeah, I won't be found (Yeah)  
Higher energy, that's on me, won't come down  
I am my own wave, bitch, I cannot drown (Yeah)  
They just made it hard, it could be so simple (Yeah)  
I built this myself, who are you? (You)  
I built this myself, who are you? (You)  
Got a bounce in my step, making moves (Yeah, yeah)  
Got a bounce in my step, making moves

Making moves, yeah, I'm making moves  
Gotta stay with my glass, I'm the juice  
I'm a mood, yeah, I'm a mood  
You can see what I've been on

Yeah, yeah, yeah, yeah, ooh, ooh (Yeah)  
Get up out my patience, shoo, shoo (Shoo, shoo)  
Dummy for the bag, go cuckoo (Yeah)  
I'm the CEO, bitch, who you?

Baby, when I'm lost, yeah, I won't be found (Yeah, I won't be found)

I don't need advice if you ain't never paid the price, ayy  
I was out of sight, I ain't never sleep at night, uh (Woah, woah)  
No one by my side, I was starving by the mice, huh  
Now I'm living nice, huh, now I found a light, uh  
I just grabbed my afro 'cause my mind was in a disco  
Got you dancing in the cash flow, rearview to the past hoes  
Past those who can't grow, evolved and lay low  
We ain't close, if you ain't help, then don't hit my phone

Baby, when I'm lost, yeah, I won't be found (Uh)  
Higher energy, that's on me, won't come down (Woah)  
I am my own wave, bitch, I cannot drown, yeah (I'm on my own wave)  
They just made it hard, it could be so simple (Hey, hey, yeah)

Shit is crazy on the way up (Way up)  
I ain't got no time for the fake love (I ain't got no, got no time)  
Time is money, gotta pay up (Run me a check)  
They're sleeping on my ass, better wake up (Woah, woah, woah)

Yeah, yeah, yeah, yeah, ooh, ooh (Ooh, ooh, yeah)
