

Angel Of My Dreams (S.A.D. - Slow. Angelic. Dramatic.

JADE

Angel of my dreams
I will always love you and hate you, it's not fair
It's so bittersweet
I will always want you and need you, you don't care
You don't care, mm

Care that I'm mad, care that I'm sad
It's so bad, it's funny
Care if I cry, care if I die
You only care about money
Sellin' my soul to a psycho
They say I'm so lucky
Better act like you're lucky, honey

But it feels nice
In the spotlight
When the camera flashy
I act so happy
I'm in heaven when you're lookin' at me

Angel of my dreams
I will always love you and hate you, it's not fair
It's so bittersweet
I will always want you and need you, you don't care
Love when you call me a star
You let me down in the dark
Want you and need you, you don't care
It's not fair, mm

Fair that I try, fair that I grind
Fair that I buy you sushi
Got you a car, got you a house
Got you a suit, it's Gucci
If I don't win, I'm in the bin
You say you never knew me
But when I pop off you sue me, so sue me

But it feels nice
In the spotlight
When the camera flashy, I act so happy
I'm in heaven, I'm in heaven
I'm in heaven when you're lookin' at me

Angel of my dreams
I will always love you and hate you (Ooh, ah-ah)
It's so bittersweet
I will always want you and need you, you don't care
Love when you call me a star
You let me down in the dark
Want you and need you, you don't care
It's not fair

But I'll always love you
