

Before You Break My Heart

JADE

Stop!
In the name of love
Before you break my heart
Stop!
In the name of love
Before you break, break, break, break

I'm your day one, baby
But you're forgetting, lately
And it's tearing us apart
You got a nasty habit
Of doing me damage
When all I wanna do is go back to the start

You're the dream that I've had for so long
You're the one who inspired all my love songs
And now you're trying to leave
It's a crime to me, call the love police
You keep hurting me, I'm begging you to

Stop!
In the name of love
Before you break my heart
I'm begging you to
Stop!
In the name of love
Before you break my heart
I'm begging for you
Think it over
Think it over
Think it over
Think it over

Can we switch the station?
To the affirmations?
Will you tell me that I'm worth your love?
Would you put me in the spotlight on the main stage of your mind, so we can both shine?
Wish you could see me as your star

You're the dream that I've had for so long
You're the one who inspired all my love songs
And now you're trying to leave
It's a crime to me, call the love police
You keep hurting me, I'm begging you to

Stop!
In the name of love
Before you break my heart
I'm begging you to
Stop!
In the name of love
Before you break my heart
I'm begging for you

Think it over
Think it over

Think it over
Think it over

Let me think it over

Stop!
In the name of love
Before you break my heart
Don't you just
Stop!
Stop!
In the name of love
Before you break my heart
Stop!
In the name of love
Before you break my heart
