Jade

Mmmmm, yeah  
Blessed that be the ties that bind  
Woah  
Blessed that be the ties that bind  
Woah  
Blessed that be the ties that bind

Do you ever take the time to concentrate your mind and listen ( Ooh yeah)  
Listen to the music to your inner soul  
To marvel at the beauty that nature holds (Spread your wings to freedom)  
Erasing from your mind all the doubts  
You see (Soaring like an eagle)  
Do you picture it? Your loving heart will guide you, you, you

Blessed (Blessed), blessed (Oh, yeah)  
Oh-oh, yeah, yeah, yeah  
My soul feels good about the ties that bind  
Me and you, and all mankind, together  
My soul feels good about the ties that bind  
Me and you, and all mankind, together, woah  
Blessed that be the ties that bind, woah-woah, ooh

Glorify your love, place it far above all others, ooh yeah  
Take it to the power of your mothers love  
Precious memories (Gather little children)  
Turn your face in view to the rising sun (Flame of love)  
Is a gift to you  
Burning to beat of your soul, alright

Blessed (Blessed), blessed (Oh, yeah yeah yeah yeah)  
Blessed, blessed, blessed, blessed (Ooh, ooooh)  
Blessed, blessed, blessed, blessed (Ooh, ooooh)  
My soul feels good about the ties that bind  
Me and you, and all mankind, together

(Blessed, blessed, blessed, ooh, ooooh, blessed, ooh, ooooh)  
(Blessed, blessed, blessed, ooh, ooooh, blessed, ooh, ooooh)  
Gather little children, gather  
(Blessed, blessed, blessed, ooh, ooooh, blessed, ooh, ooooh)  
Place no one above you  
(Blessed, blessed, blessed, ooh, ooooh, blessed, ooh, ooooh)  
Glorify, mmmmm
