That Boy

Jade

That boy wants to get with me
And if this is a chance for a better romance
Then I'll take it all

Bum, bum, bum
Bum, bum, bum
Bum, bum, bum
Ooh, ah yeah

I've been thinkin' 'bout my baby
And how he looked when I saw him last night
He tried to talk me into stayin'
Um, but I left before it felt too right

In my heart there's a real good reason
Why I shouldn't give him a look
'Cause I'm with another guy
And I know he's been cheatin'

If this is a chance for a better romance
Then, I'll take it

That boy wants to get with me
(Uh, get with me, he)
Tells me I've got everything he needs
(Everything he needs)

That boy wants to get with me
Yes, I've got him
And I want him
But will he be good to me?

Bum, bum, bum
Bum, bum, bum
Bum, bum, bum

Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah

I'd like to give him all my lovin'
I hope it's true that he only needs me
And no matter how much I may want him
A patchin' up doesn't mean a thing to me

In my heart there's a real good reason
Why I shouldn't give him a look
'Cause, I'm with another guy
And I know he's been cheatin'

If this is a chance for a better romance
Then, I'll take it

That boy wants to get with me
(Uh, get with me, he)
Tells me I've got everything he needs
(Everything he needs)

That boy wants to get with me
Yes, I've got him
(I know that I've got him)
And I want him
(I probably want him)
But will he be good to me?

That boy
(That boy)
Wants to get with me
(Uh, get with me, he)
Tells me I've got everything he needs
(Everything he needs)

That boy wants to get with me
Yes, I've got him
(Oh, I've got him)
And I want him
(Yes, I want him)
But will he be good to me?

You know that that boy
I know that I want him,
I know that I've got him
But will he be good to me?

That boy wants to get with me
(Get with me, he)
Tells me I've got everything he needs
(Gave my heart)
That boy wants to get with me
(Back to romance me back)
Yes, I've got him
And I want him
But will he be good to me?

That boy wants to get with me
(Everything I need, he)
Tells me I've got everything he needs
(That boy)

That boy wants to get with me
(Why should I want you, I gave you my love)
Yes, I've got him
And I want him
But will he be good to me?

That boy wants to get with me
