

Let It Rain

Jaded Heart

I have seen a Rainbow,I have seen a shining Star
I have felt the warmth of Love,it never seemed too far
I believe in tenderness,I believe in Love
But I wanna know,I really wanna know now
Yes I wanna know what Money can do

I wanna be rich,wanna be free,
Wanna live in Luxery,yeah
That's what I really wanna do
So let me be wild and free

So let it Rain,let it Rain down me
Let it,ain't talking 'bout Water,no Way
Let it Rain,let it Rain down me
Let it,ain't talking 'bout water,no Way
Guess you know what I mean

Looking for a good Life without a care
using SILVER CUTLERY,oh sitting on a golden Chair
Drinking Champagne in the Jacuzzi
Of course not alone
Spending all the Bucks,but who cares right?
Wouldn't it be nice to be a Multimillionaire

So let it Rain,let it Rain down me
Let it,ain't talking 'bout Water,no Way
Let it Rain,let it Rain down me
Let it,ain't talking 'bout Water,no Way
Guess you know whar I mean

I have seen a Rainbow,I have seen a shining Star
I have felt the warmth of Love,it never seemed too far
I believe in tenderness,I believe in Love
But I wanna know,I really wanna know now
Yes I wanna know what Money can do

I wanna be rich,wanna be free
Wanna live in luxery,Baby
Let me be wild and free

So let it Rain,let it Rain down on me
Let it Rain,ain't talking 'bout Water,no Way
So let it Rain,let it Rain down on me
Let it Rain,can't you hear what I'm saying
Let it Rain,a million Bucks on me
Let it Rain down on me
