# Falling For You

**Jaden Smith**

Oh, oh, oh, oh
Oh, oh, oh, oh

I think I'm falling for you
I think I'm falling for you
If you don't call me, I'll jump off the roof
If you don't call me, I'll jump off the roof

Can nerdy call me after school?
I told her I want to talk to you
Still can't believe that's how we met
That's one day I'll never forget

I think I'm falling for you
I think I'm falling for you
If you don't call me, I'll jump off the roof
If you don't call me, I'll jump off the roof

Kiss my sane mind goodbye, I'm bonkers now
I'm crazy for your love, I do the most
Walking the street up to your mama's house
Dirt road with pink skies and rainbows

Oh, I'll climb the tallest mountain just to hold your hand
And dance around, the thought of you reverbs in my head
And that's what I said

I think I'm falling for you
I think I'm falling for you
If you don't call me, I'll jump off the roof
If you don't call me, I'll jump off the roof

Hopefully, I'll find my mind
'Cause I lost it somewhere, along the way
And I pray that you find the time
'Cause there's only so many minutes in the day
Yeah, the thought of you fills me with bliss
Looking forward to making memories, we reminisce
Got a whole lot to risk
Don't send my heart into the abyss

I think I'm falling for you
Falling for you
I think I'm falling for you
Falling for you
If you don't call me, I'll jump off the roof
Don't let me down
If you don't call me, I'll jump off the roof
Hey, I'm 'bout to lose it

Your hips and your eyes give me all the summer vibes
Will you sing a lullaby to me?
We walk through the night and the sun will slowly rise
There's not a place I'd rather be
Then we run up the street
Keep on skipping to the broken beat
Kissing your lips on a trampoline

Girl, I don't know what's gotten into me

I think I'm falling for you
Falling for you
I think I'm falling for you
Falling for you
If you don't call me, I'll jump off the roof
Don't let me down
If you don't call me, I'll jump off the roof
Hey, I'm 'bout to lose it
Your hips and your eyes, girl, is summertime
