GOKU

Jaden Smith

(Oh!) I feel like a
Ooh, ooh, ooh
Goku

Boracho, boracho, boracho, I'm supersonic with the Vados
Ayy, tectonic volcano in an island, you don't want no problems
All you jokers need to grow up, you ain't know it then, now you know it
Aye, my credit card didn't go through, I'm ballin' I feel like I'm Goku

Ayy, ayy, yeah, come again
Ayy, yeah, ugh, I feel like I'm Goku
Look at em', yeah, come again
Ayy, yeah, ballin', I feel like I'm Goku
Aye, my credit card didn't go through, I'm ballin', I feel like I'm Goku
Goku, ballin', I feel like I'm Goku
Aye, my credit card didn't go through, I'm ballin', I feel like I'm Goku
Ballin', I feel like I'm Goku (Ooh!)
Wooh!
Ballin', I feel like I'm Goku, Goku, Goku
Feel like I'm
Ouu ouu, ouu ouu
Ballin', I feel like I'm Goku, Goku, Goku

She just want happy, happy, happy, happy endings
Girl just stop pretending, and that's new beginnings
This is music with a new lieutenant
Way too moist, just hit you with that stupid vision
Man I ball choker sad my soup is finished
Bout to sip it, sip it, sip it slow (ooh)
Need to quit the sippin' syrup 'fore you in the dirt
Remember, that's why they sedate for ya
With my homies in the Jeep
Bumpin' Lord Pretty Flacko with the prayer hands
I said it once, then I'm gon' say it again
You roller coastin' in Vegas man
I'm the closest to the greatest
That statement is daily debated
I'm Slaughterhousin' on the pavement
Tell Charlamagne that we just made it
You can't even catch all my cadence
Just 'cause you lazy and faded
You washed up and want to be famous
All the MSFTS, they've been waiting
I'm 'bout to play this on the stages
I'm 'bout to see them in amazement
All my verses been in cages
'Bout to let 'em loose and show the world what music range is
Put they album on the pavement
Spit the fire till they cave in
They all told me "That's insane"

Boracho, boracho, boracho, I'm supersonic with the Vados
Ayy, tectonic volcano in an island, you don't want no problems
All you jokers need to grow up, you ain't know it then, now you know it
Aye, my credit card didn't go through, I'm ballin' I feel like I'm Goku

Ayy, ayy, yeah, come again

Ayy, yeah, ugh, I feel like I'm Goku
Look at em', yeah, come again
Ayy, yeah, ballin', I feel like I'm Goku
Aye, my credit card didn't go through, I'm ballin', I feel like I'm Goku
Goku, ballin', I feel like I'm Goku
Aye, my credit card didn't go through, I'm ballin', I feel like I'm Goku
Ballin', I feel like I'm Goku (Ooh!)
Ouu ouu, ouu ouu
Ballin', I feel like I'm Goku, Goku, Goku
Feel like I'm
Ouu ouu, ouu ouu
Ballin', I feel like I'm Goku, Goku, Goku

Ayy, ayy, yeah, come again
Ayy, yeah, ugh, I feel like I'm Goku
Look at em', yeah, come again
Ayy, yeah, ballin', I feel like I'm Goku
Ayy, ayy, yeah, come again
Ayy, yeah, ugh, I feel like I'm Goku
Look at em', yeah, come again
Ayy, yeah, ballin', I feel like I'm Goku
