

# Gorgeous

Jaden Smith

Oh, baby, you're gorgeous  
Love everythin' about you, baby, you're gorgeous (Baby)  
Gorgeous, most people don't understand it  
Baby, you're gorgeous, and I can't build a life without you

You so pretty with no makeup on I had to make a song 'cause you're gorgeous (Huh, yeah)  
All them other girls fakin' it all, you're on my mind, how you take up the time?  
We in Florence, she grew up in Corpus  
Now the boat in the ocean I don't know where the shore is  
I sat on the reef just lookin' at swordfish, I found peace under palm trees stormin' (Ooh-ooh)

We watchin' sunset on jets, she let me confess my stress  
We pull up flex 'cause we blessed, let's hit the crib and have sex

Gorgeous, I love everythin' about you, baby, you're gorgeous  
Baby, you're gorgeous  
Most people don't understand it, baby, you're gorgeous  
And I can't build a life without you

Hairs changin' colors, eyes changin' colors, vibin'  
When I wake up, I'ma dive in it like Poseidon  
How the fuck you finna break up with me on a island?  
Your hair takin' fifty minutes, polished, your nails did  
But I just saw you in a bonnet, your head good  
And you smart that was college  
Out the hood, when you sober you be on it

Gorgeous, love everythin' about you, baby, you're gorgeous  
Baby, you're gorgeous  
Most people don't understand it, baby, you're gorgeous  
And I can't build a life without you

Fairy princess tryin' print certificates, like always  
I was so hung over but I'm lit again, like always  
Gossip is rulin' in the court  
That's impossible, why you trying to move to New York?  
Huh, fairy princess tryin' print certificates, always  
I was so hung over but I'm lit again, like always  
Gossip is rulin' in the court (Court)  
You're a tree hugger, what the fuck you doin' in New York?

Oh, baby, you're gorgeous (Gorgeous)  
Love everythin' about you, baby, you're gorgeous (Yeah)  
Beauty from a whole 'nother planet, baby, you're gorgeous (You're gorgeous)  
Most people don't understand it (You're gorgeous), baby, you're gorgeous (You're gorgeous)  
And I can't build a life without you (Yeah-eah)
