

MSFTS Anthem

Jaden Smith

They take us to London
They take us to France
They take us to Rio
They take us to France
They take us to Sweden
Then we back to France
But that be where we go, they know exactly who I am
Baby girl cuz we the MSFTS! MSFTS! MSFTS!
Come kick it with the MSFTS! MSFTS! MSFTS!
Yea homie we the MSFTS! MSFTS! MSFTS!
You rockin' with the MSFTS! MSFTS! MSFTS!

Old people say that we're dumb
Young people say that we're fun
Um hum
You should probably bite on your tongue
Say that we lost but we won
Um hum
Killin jockers up like um yum
Put it in my com, done
And gon hit em like a drum
Throwin paper up, I don't care about the sum
I mean I don't really care about the money
MSFTS dog when it's sunny, honey
I'm so fly that you're looking like a dummy
I'm so cool that your nose ain't running
That's funny
We young and restless
MSFTS live life on the edges
Crazy.. nobody can catch us
My sub drops and we on the sat list
Amazing.. life gruesome up here
We got cool that you never been up with
We're MSFTS, this is out republic
And I act wild even when I'm in public

They take us to London
They take us to France
They take us to Rio
They take us to France
They take us to Sweden
Then we back to France
But that be where we go, they know exactly who I am
Baby girl cuz we the MSFTS! MSFTS! MSFTS!
Come kick it with the MSFTS! MSFTS! MSFTS!
Yea homie we the MSFTS! MSFTS! MSFTS!
You rockin' with the MSFTS! MSFTS! MSFTS!

But a joker dude like the pose

And I just left state to do some more shows

Dressed all black from our head to toe
When you my clique be lookin like crows

Cuz we young and stupid
Yea, we dumb and ruthless
Man you know who the crew is
When so much of the jokers abusing the losin
Man I'mma be cruising
My girl, she snoozing

As long as they bumpin the music
Must walk in with the clique, wuzzup
Look so fly cuz we all dressed up
And they marshin to the music
Cuz the MSFTS know wussup

If you reckless.. then you will miss it
if yo ejected.. than you a misfit
If you not nothing to mess with then you a misfit
If you get this then trust me, you a misfit
If you breaking all the rules, then you a misfit
If he put thing through ain't cool then trust me you a misfit
If you wanna be rebellious, homie come and follow me
And I'm lookin at my haters, we say RIP
Little homie we the MSFTS

A misfit is someone who creates, inspires and disrupts
Cuz when you stop believing, the pamerars will start deceiving
You and all your friends will just stop believing
When you should get the dex and go skate the street this evening
Worst hurt, like a bee sting
It's kinda like a disease but to them it's pleasing
Instead of doing all the pleasing
You should get the keys and be gone like the wind in the trees
Agreed?
A misfit is a rebel, we stand
We stade it on like we rocks in the middle of some pebbles
You jokers phony, letme put you in a keddle
Poppin for like a minute, let me wait for you to settle
Hello! Get up on my level
Who thought the littlest fellow would nominee for these medals?
You look good in those stilettos
Sing a lullaby to you like balads
And I'll be slow, this is jealous
Oh I'mma get my fellows in
Settle down and say something intelligent
Hello kids, I'm not saying don't get your college degrees
I'm not saying to go and skate and break your knees
I'm not saying to go up in your house and get the keys and run away without
telling your parents that you gon leave
I'm not teling you diddy me
I'm just telling you you could be free

Cheers
