

## Welcome To The Get Down

Jaden Smith

This ain't Disney Land this is the Bronx  
Either you be strong or you be gone!

Wanna see some rubbish?  
I'm undercover at train yards and lovin' it  
I'm tryna think what lady paint the covenant  
To find a wall to bomb the whole Bronx is crumblin'  
We should do it on Charlotte just for the fun of it  
And the name is Rumi if you was wonderin'  
Alien in a top hat, I'm hoverin'  
And I'm chillin' with Mylene  
We guzzlin' holy water, it's hotter than hell  
Don't let the summer in  
Man you lookin' at me like you impressed now  
B-boy steez with the fresh style

Shaolin Fantastic's on the disc, and you like  
"What's this kid?" Welcome to the Get Down  
Hope you're ready to get down  
Shaolin Fantastic's on the disc, and you like  
"What's this kid?" Welcome to the Get Down  
(Welcome to the Get Down...)
