

## Warm Magic

Jadu Heart

Oh what am I to do  
When I'm slowing, slowing down  
Yeah my heart is falling through  
Yeah it's falling, falling down

(I've been floating, feeling weak  
Now I flow in everything)  
Yeah it's falling now  
(I've been floating, feeling weak  
Now I flow in everything)

Oh take the pain away  
Yeah I'm bleeding bleeding out  
Yeah what am I to say  
When your heart it fucks me now...

(I've been floating, feeling weak  
Now I flow in everything)  
Yeah it's falling now  
(I've been floating, feeling weak  
Now I flow in everything)

Oh what am I to do  
When I'm slowing, slowing down  
Yeah my heart is falling through  
Yeah it's falling, falling down

(I've been floating, feeling weak  
Now I flow in everything)  
Yeah it's falling now  
(I've been floating, feeling weak  
Now I flow in everything)
