

# 24K

Jae Stephens

I swear I saw gold in your eyes  
The way you looked at me  
Like you had just won the grand prize  
Fresh and heavenly, angel at 18

I swear I tasted precious pearls  
Falling from your lips  
Wrapped around your precious girl  
Like your necklace round my neck  
And your belt around my hips

More than diamonds, or any stone  
Feeling brighter than I have ever known  
I could hurry but you know I wanna make you wait  
Boy we're gold like the ring on your finger, 24k

That shit blinds me when it hits the sun  
And I know you're not a hit and run  
You can't buy the kind of love we make  
Boy we're gold like the ring on your finger, 24k

We're not perfect but we're nearly there  
I've got silver linings in my hair  
I think you're a risk I have to take  
Cause boy we're gold like the ring on your finger, 24k

You know deep down that it's not right  
The way you look at me  
And just like a thief in the night  
You show up unexpectedly and take just what you need

And I let you cause I love the feeling of holding money in my hands  
You're my green and gold, boy  
Greatest story ever told, boy  
It turns out I've got myself a man

That shit blinds me when it hits the sun  
And I know you're not a hit and run  
You can't buy the kind of love we make  
Boy we're gold like the ring on your finger, 24k

We're not perfect but we're nearly there  
I've got silver linings in my hair  
I think you're a risk I have to take  
Cause boy we're gold like the ring on your finger, 24k

Green and gold boy, greatest story ever told, boy  
Green and gold boy, you couldn't make me let go  
Green and gold boy, I think you already know, boy  
Green and gold boy, greatest story ever told

That shit blinds me when it hits the sun  
And I know you're not a hit and run  
You can't buy the kind of love we make  
Boy we're gold like the ring on your finger, 24k

We're not perfect but we're nearly there

I've got silver linings in my hair  
I think you're a risk I have to take  
Cause boy we're gold like the ring on your finger, 24k
