

# Better Boy

Jae Stephens

Greedy  
For the way that I'm feeling  
That boy is appealing  
But so are you  
Been thinking  
Bout you when I kiss him  
But his touch is addictive  
Can I have two?

If I could build a better boy  
All the parts that I enjoy  
Take the best of him and rest of you  
If I could have your lips on mine  
But keep the way he feels at night  
Finally I wouldn't have to choose

If I could I'd lock you in my room together  
Why shouldn't I have my cake and eat it too?  
Three's a crowd, so one might get a little jealous  
So I love you and I call him when we're through

But if I could build a better boy  
All the parts that I enjoy  
Take the best of him and rest of you  
He's so sweet but you taste sweeter  
Keep his head and your demeanor  
Finally I wouldn't have to choose

Double dippin'  
How could I ever pick it  
Double dippin'  
I can't make these decisions  
Double dippin'  
How could I ever pick it  
Double dippin'  
I can't make these decisions

Cause I like what I like  
And I like what I see  
And I get what I want, that's you  
Cause I like what I like  
And I like what I see  
Is it bad that I want him too?  
Cause I like what I like  
And I like what I see  
And I get what I want, that's you  
Cause I like what I like  
And I like what I see  
Baby please, don't make me choose
