

# Boyfriend Forever

Jae Stephens

Boyfriend  
Boyfriend, uh

Breakdown, I could see it coming for a while  
Phased out, we got nothing left to reconcile  
I thought somehow, off into the sun we'd be riding  
But there was way too much he was hiding  
And now you call me up, perfect timing, oh  
I've been good, passed every test  
All my DMs, left them on read  
Cooking, cleaning, a freak in bed  
And this is what I get

I already decided that I'm cutting him off  
He don't even know I got somebody lined up  
Should feel bad but I don't  
'Cause I know, I know, I know, I know

He won't be my boyfriend forever (Why don't we catch up?)  
You said I deserve someone better (Could you be that one?)  
I been tryna cut those ties, you could be the reason why, ooh  
He won't be my boyfriend, he won't be my boyfriend forever

Girls don't cheat, no, we just need love  
This ain't cheating, just drinks and stuff  
Can't lie, he gives me a rush  
But wait until I end it, ha, look, don't touch

I already decided that I'm cutting him off  
He don't even know somebody's taking his spot  
Should feel bad but I don't (I don't)  
'Cause I know, I know, I know, I know

He won't be my boyfriend forever (Why don't we catch up?)  
You said I deserve someone better (Could you be that one?)  
I been tryna cut those ties, you could be the reason why, ooh  
He won't be my boyfriend, he won't be my boyfriend forever

(Ah, yeah, yeah)  
It's just like waiting for the bus  
Give it five minutes, another one's coming (Haha)

Boys aren't forever, they change like the weather  
He couldn't measure, I found his successor  
Boys aren't forever, they change like the weather  
He couldn't measure so-

He won't be my boyfriend forever, oh (Why don't we catch up?)  
Ooh, ooh, could you be that one?  
I been tryna cut those ties (Those ties), you could be the reason why, ooh  
He won't be my boyfriend (Yeah), he won't be my boyfriend forever

He won't be my boyfriend forever (Ooh, ooh, why don't we catch up?)  
You said I deserve someone better (Ah, could you be that one?) (Yeah)  
I been tryna cut those ties, you could be the reason why, ooh  
He won't be my boyfriend, he won't be my boyfriend forever
