

Precious

Jae Stephens

I like when a man can comprehend my body language (Oh)
I put on this dress to make a mess, I don't need savin'
I got motives, (I got motives), I like roses (I like roses)
But I like it more when he can steer it and control it, uh (Uh, uh)

I don't do slow burnin', like my earnin' automatic
So caught up in semantics, too romantic get me graphic
"Where's your bass line?", "Why you so shy?"
Cross that fine line, this ain't my first time

Ooh, ooh-ooh, come put some pressure on it
Ooh, ooh-ooh, right now you're pushin' on it
Too precious, please don't touch me
Too precious, I need you to move reckless
I don't really do precious, -ecious, -ecious
Ooh, ooh-ooh, come put some pressure on it
Ooh, ooh-ooh, right now you're pushin' on it
Too precious, please don't touch me
Too precious, don't handle me carefully
I don't really do precious, -ecious, -ecious

Am I throwin' you off?
I thought so

I'm a good girl 'til I'm not (Ah, ah)
I play it real cool 'til I get too hot (Ah, ah)
I know I look really pricey, break me you bite me (Ah)
Wait 'til you see the way it drop (Ah, ah)
My name's Jae, I don't care about yours (Ah, ah)
Leavin' the club with my girls of course (Ah, ah)
So unassuming, but ain't know me (Yeah)
'Til I stepped out on the floor
I don't get offended by intentions, less than pure
So when you leave your kisses, leave intentions like I'm yours
But I'm not though (I'm not), and we both know (I'm not)
Need you movin' like you'll die if you don't get close enough to me

Ooh, ooh-ooh, come put some pressure on it
Ooh, ooh-ooh, right now you're pushin' on it
Too precious, please don't touch me
Too precious, I need you to move reckless
I don't really do precious, -ecious, -ecious (Ooh)
Ooh, ooh-ooh, come put some pressure on it
Ooh, ooh-ooh, right now you're pushin' on it
Too precious, please don't touch me
Too precious, don't handle me carefully
I don't really do precious, -ecious, -ecious (Ooh)

A love like mine (Like mine)
So cold that it's kind, let me waste your time, baby, baby
A love like mine (Like mine)
Don't apologize if you realize it's something you like

Ooh, ooh-ooh, come put some pressure on it (Ooh)
(Ooh) Ooh, ooh-ooh, right now you're pushin' on it
Too precious, please don't touch me
Too precious, I need you to move reckless

I don't really do precious, -ecious, -ecious (Ooh)
Ooh, ooh-ooh, come put some pressure on it
(Ooh) Ooh, ooh-ooh, right now you're pushin' on it
Too precious, please don't touch me
Too precious, don't handle me carefully
I don't really do precious, -ecious, -ecious (Ooh)

(Uh-uh, ooh)
(Uh-uh, ooh)
(Uh-uh, precious, -ecious, -ecious)
(Ooh, uh-uh)
(Uh-uh)
(Uh-uh, precious, -ecious, precious)
