

What You Need

Jae Stephens

Damn

You've been runnin' round in circles in my head
I got bruises black and purple round my neck
Connecting dots between the scars that I collect
I won't forget

I tried to put it all behind
Always ridin' for you when you crossed the line
When I said that I forgive you, I was lyin'
Out of time, you didn't realize

I got what you need
I got what you need
Nah, nah, I won't let you breathe
I got what you need
Yeah, I got what you need

And I know I fucked up, but you doin' the most
And you got me fucked up, needa slow your roll
Always had one foot hangin' out the door
Ready to go

Now put the bullshit to the side
Not the only one that went and crossed the line
When you said that you forgave me, was you lyin'?
Out of time, you gon' realize

I got what you need
I got what you need
Nah, nah, I won't let you breathe
I got what you need
Yeah, I got what you need
I got what you need
I got what you need
Yeah, yeah, I'ma watch you bleed
I had what you need
Yeah, I got what you need

Got me fucked up
Sittin 'round lookin' all hung up
Now you're upset, but so what?
Baby, one of us had to grow up
So I wasn't even really gon' go there
Tried to put it on me, that's no fair
Like it's my fault you don't care
Nothin' left for you, not one prayer
You bring it out of me, do it so casually, uh
And it's so sad to see, I could've really been the one
But you messed up
I ain't never lied, you'll realize in good time, yeah

That I got what you need
I got what you need
Nah, nah, I won't let you breathe
I got what you need
Yeah, I got what you need
I got what you need

Yeah, yeah, I'ma watch you bleed
I had what you need
Yeah, I got what you need
