

Dandelion

Jaehyun

Dandelion in the sky
Hard to see
When the sun is in my eyes
Call it blind
Neoneun wae deonggeureoni gilgae?
We'll be great either way
O soksagin sungan, my, oh, my
Flyin' high
You're my little dandelion

Banjagin nunbit arae dancing
Spitting poetry like a romantic
For you I'll buy
A boat across the Atlantic
Sinking to the bottom
Get the keys to Atlantis

There's no place I'd rather be than
Which you're sitting next to me
'Cause you give me my gravity
You pull me back through
Jigeum ttara bureuneun
Ne ganeudaran moksori
Eolgure useumkkochi pin iyu (It's you)

Dungdung tteodanineun japijin anneun
My mind's above me
My feet are on the floor
Chumchudeut duriseo matchun immatchum
Maybe I'm just high
Bring me back to earth, 'cause

There's no place I'd rather be than
Which you're sitting next to me
'Cause you give me my gravity
You pull me back through (What)
