□□□ Forever only
Forever only yeah yeah

Be my Be my
Be my forever only
Be my Be my

Be my forever only

Be my oh Be my
Be my forever only
Be my Be my
Be my forever only

The empty space you left behind
Fills me with more longing
Bit belated this irony
Heart is lost and lonely
Lonely

How familiar these streets
Still, we'd get lost in them
When the lights deepen
Your empty space not getting any clearer

Where you been my whole life
One toss and turn, you fade
Alone, it was all a dream
A passing illusion

The empty space you left behind
Fills me with deeper longing for you
Bit belated this irony
Heart is lost and lonely
Lonely

Leaving a pain that spreads
The goodbye and a final kiss
Now I see you walking away
Be my forever only
Only

Your reflection on the shimmering ocean
Glittering just like how you do, that view
One touch and it fades away
So close I feel you, but never have you

Ooh ooh
This moment, you're already gone
Still you're so vivid in my mind
Again, you find me, oh yeah

The empty space you left behind
Fills me with deeper longing for you
Bit belated this irony
Heart is lost and lonely
Lonely

Leaving a pain that spreads
Goodbye, and a final kiss
Now I see you walking away
Be my forever only
Only

Be my Be my
Be my forever only
Be my Be my
Be my forever only

Be my Be my

Be my forever only
Be my Be my
Be my forever only

Dusk settles upon the night ocean
The colors deepen
Two gazes ebb and flow

Unfathomable depths of the night ocean
Sink deeper and deeper
This warmth still remains

Memories of you
All that I have now that you're gone
These traces cherished only by me
Uh, be my forever only

The empty space you left behind
Fills me with deeper longing for you
Bit belated this irony
Heart is lost and lonely
Lonely

Unforgettable memories
Haunting my mind
For me, it's still you and me
We still shine, forever only
Forever only yeah yeah

Be my Be my
Be my forever only
Be my Be my
Be my forever only

Be my oh Be my
Be my forever only
Be my Be my
Be my forever only
