

Roses

Jaehyun

Think I should text my ex

Think I got it bad if I'm honest

Thought that I was good turns out I'm a little far from it, yeah, yeah

Can't even leave the apartment

'Cause everything red's a cold reminder of you

Like you don't call me (Yeah, yeah)

You moved on like you'd had enough (Say what?)

And now the memories be hitting me differently

I'm six feet deep, oh, when I see

Roses (Roses), roses (Roses)

It's killing me to know there's someone else out there buying you

Roses (Roses), roses, yeah (Roses)

I'm triggered every year Valentines, don't wanna see, no

Roses, roses

Roses, roses

Roses, roses

Roses, roses

Got me living in the past, overthinking all your words

Maybe they were all lies

Quit me like a cigarette, played me like a clarinet

See the river I'm crying

My heart is sore from pulling out these thorns

These mended scars they re-open every time

Like you don't call me, yeah (Yeah, yeah)

You moved on like you'd had enough

And now the memories be hitting me differently

I'm six feet deep, oh, when I see

Roses (Roses), roses (Roses)

It's killing me to know there's someone else out there buying you

Roses (Roses), roses (Roses)

I'm triggered every year Valentines, don't wanna see, no

(Roses) Oh, no

(Roses) You wanna be mine, baby (Roses)

(Roses) I said you wanna be mine, baby (Roses)

(Roses) You wanna be mine, yeah (Roses)

(Roses) I bet you wanna be mine
