

Unconditional

Jaehyun

Ooh-ooh, ooh-ooh

Met this girl from California, something 'bout her aura
Got me good at sticking around
Send a shout out to her mama, raising up a queen
'Cause damn, she is the woman, no doubt
Who got fire taste? Dominate
When she on that paper chase
Skip the drama, double dutch
She's an eight rounded up
I've been falling since the day I made her mine
Oh, we locked all the way, yeah

Ah

Lemonade, she's golden

Ah

Lemonade, she's golden

She deserves to be loved with no limit out loud

I just, I just bought my baby Prada
Got another for her, straight from the store
Fly her 'round the world so she can hang by the shore
That's my baby, that's my sugar
I don't need no honey on the side
That's unconditiona-nal
For her, I'd break the law, just take me straight to the court
Buy a billion roses and I'd still get her more
That's my baby, that's my sugar
I don't need no honey on the side
That's unconditiona-nal

She's fine, she's mine, I gotta praise the Lord
This thing, we got's
That's unconditiona-nal
She's fine, she's mine, I gotta praise the Lord
This thing, we got's
That's unconditiona-nal

Ba, di, da-da-da

Ba, da-da-da

Ba, di, da-da-da

Baby, I'm just gonna say it, not even an A-list
Can turn my head from where it is now
I'm rocking through the stages 'til we're old and gray
Ain't afraid to say it loud (Loud)

Ah

Lemonade, she's golden

Ah

Lemonade, she's golden

She deserves to be loved with no limit out loud

I just, I just bought my baby Prada
Got another for her, straight from the store
Fly her 'round the world so she can hang by the shore
That's my baby, that's my sugar

I don't need no honey on the side
That's unconditiona-nal
For her, I'd break the law, just take me straight to the court
Buy a billion roses and I'd still get her more
That's my baby, that's my sugar
I don't need no honey on the side
That's unconditiona-nal

She's fine, she's mine, I gotta praise the Lord
This thing, we got's
That's unconditiona-nal
She's fine, she's mine, I gotta praise the Lord
This thing, we got's
That's unconditiona-nal

Ba, di, da-da-da
Ba, da-da-da
Ba, di, da-da-da
Ba, di, da-da-da
Ba, da-da-da
Ba, di, da-da-da

That's unconditiona-nal
