

All I Really Want

Jagged Edge

The holidays are here,
Christmas spirit, food is cooking...
Presents wrapping, Shawty what's happening?
Want you to come outside (come outside)
Got my lady, got my sledge, you wanna ride?
Uh, girl I know you got something I'm missing
But you might just get out this Christmas!

Is the season we're giving, all my love we're giving
Today is a little different, giving all my time to you, girl
by the fireplace, baby!
Yeah, yeah!

All I really want this Christmas, is to get all your hugs and kisses
And give you all this love in case you missed it!
And let you know that babe you're a gift,
All I want this Christmas, all I want this Christmas
To give you all this love in case you missed it!
And let you know that babe you're a gift!
All I want this Christmas!

Just save your money baby
Cause I don't really need a thing
Your presence is a gift alone
And I need is you right here with me!
And I don't really want to share
Don't wanna share this for nobody, babe
No, no, no
Girl, en though is cold outside
I'm gonna keep you warm tonight

Cause is the season for giving
And all I really asking for
Can you forever be mine?

All I really want this Christmas, is to get all your hugs and kisses
And give you all this love in case you missed it!
And let you know that babe you're a gift,
All I want this Christmas, all I want this Christmas
To give you all this love in case you missed it!
And let you know that babe you're a gift!
All I want this Christmas!

The only thing on it is you!
I read it all over, checked it up twice
Only thing I found is you!
Baby I ain't new to this,

Hoping is em and you, hoping is just us two
Hoping that we're here next year, baby!

All I really want this Christmas, is to get all your hugs and kisses
And give you all this love in case you missed it!
And let you know that babe you're a gift,
All I want this Christmas, all I want this Christmas
To give you all this love in case you missed it!

And let you know that babe you're a gift!
All I want this Christmas!
