

Can't Help It

Jagged Edge

J.E., y'all
I can't help it if I wanted to
Wouldn't feel this, baby, but if I could
I can't help it if I wanted to
How much, baby? But if I could
I can't help it, wouldn't help it

I can't help it if I wanted to
I keep on fallin' in love with you
Every time that I think we're through, ooh
I keep on fallin' in love with you
Everything about you is amazin'
And I'm so glad that I waited, I waited
Can't help it if I wanted to
I keep on fallin' in love with you, you, you, you, you, you

Just like the ocean
Overflowin' with emotion in me
Love like the ocean
Overflowin' with emotion in me
Girl, when I lay you down
All of our troubles, they gone when I lay you down, baby
Girl, when I lay you down
All of my troubles, they gone when I lay you down with me

Don't know if I'm strong enough just to fight this love (Ooh, love)
'Cause now I'm here, give your all to me just to fight this love
I don't, I don't have all of the answers
But your love be so damn convincin'
Take it away, girl, I'll miss it
You know, you know

I can't help it if I wanted to (If I wanted to)
I keep on fallin' in love with you
Every time that I think we're through, ooh (Every time, oh)
I keep on fallin' in love with you (Oh)
Everything about you is amazin' (Oh-oh)
And I'm so glad that I waited, I waited (Oh)
Can't help it if I wanted to (If I wanted to)
I keep on fallin' in love with you, you, you, you, you, you

I'm still feelin' you
All of these years, girl, I'm still feelin' you, oh
If they see me, they see you
All facts, you make me want you to grow, oh
What you wanna do? Huh
Yep, you're the one I wanna run to, ma
What you wanna do? Huh
And I love when you let me touch on you
This renegade rush when I touch on you (Oh)
This renegade rush when I touch on you (Oh)

Don't know if I'm strong enough just to fight this love (This love)
'Cause now I'm here, give your all to me just to fight this love (Oh, woah)
I don't, I don't have all of the answers
But your love be so damn convincin'
Take it away, girl, I'll miss it (Take it away, away, yeah)

You know, you know

I can't help it if I wanted to (Wanted to, yeah)
I keep on fallin' in love with you (Fallin' in love with you)
Every time that I think we're through, ooh (Oh, yeah)

Everything about you is amazin' (Amazing)
And I'm so glad that I waited, I waited (Waited)
Can't help it if I wanted to (I keep on fallin' in love)

I'm right there when she need that
I give her everything that
Her heart and body can handle
I mean that, I mean that
I'll give her this world like a princess
I'm here to fulfill all of her wishes, yeah
And if she break it down
All the heads turn when she break it down
And she badder than the most freshest I found, oh, yeah
And we makin' music with every sound, oh, yeah, yeah
She make all my worries drown, yeah

Don't know if I'm strong enough just to fight this love (Ooh, love)
'Cause now I'm here, give your all to me just to fight this love
I don't, I don't have all of the answers (No, no, no, no)
But your love be so damn convincin'
Take it away, girl, I'll miss it
You know, you know

I can't help it if I wanted to (If I wanted to, oh)
I keep on fallin' in love with you (Oh, yeah, yeah)
Every time that I think we're through, ooh (Think we're through, oh)
I keep on fallin' in love with you (Think we're through, baby, oh, woah)
Everything about you is amazin' (Amazing)
And I'm so glad that I waited, I waited (Oh, I waited)
Can't help it if I wanted to (Oh, oh)
I keep on fallin' in love with you, you, you, you, you, you
