

# Cuffs

Jagged Edge

Is this a dream? Or she really, really mine?  
Just wake me up if this thing is just a lie  
Just dab some water on my face  
We in another place  
If I can't just erase what's mine  
This a fantasy, let it be what I want  
I'm so down for her, let it be just enough  
All these cars I got, they done fit two times  
'Cause everything I got, hope it fits just right

I'ma keep it up 'cause you bangin' like a drum (Oh-oh)  
Girl, it's been so long since I had me this much fun (Oh-oh-oh)  
And there ain't no takin' breaks (Breaks), girl, no (Girl, no)  
Yes, I know I said it, but there ain't no other one (Know I said it, yeah)

Cuffs on wrist, oh, that's mine (That's mine, that's mine)  
Say it with my chest, I'm claimin' mine  
Cuffs on wrist, I say it loud  
Cuffs on wrist, she's all I got (All I got)  
Couldn't play no game, no, had to lock you down  
I can't see nobody, it don't matter who's around  
Cuffs on wrist, had to lock it down (Down)  
Cuffs on wrist, oh, that's mine

She's mine, she's mine, she's mine (That's for real)  
I'm so in love with her, I'm outta my mind (On God, on God)  
And lovin' damn near made me blind (Mm)  
Only time I see is when she in my sight (Ooh-oooh)  
To me, all them other girls don't matter (Don't matter, nope)  
Keep your hands off, shawty, yeah, she mine (Nope, nope, ooh-oooh)  
Yeah, her wrist locked up like mine  
'Cause when I lock it down, everybody gon' know that's mine

I'ma keep it up 'cause you bangin' like a drum

You can do what you want, but I'm cuffin' mine (Cuffin' mine)  
Cold as all our dawgs 'cause she by my side (Oh-oooh)  
She be in my ride all the time  
And if you got a problem, that's your fault, it ain't mine (Yeah)  
You can do what you want, but I'm cuffin' mine (Do what you want)
