

# Gave It All Up

Jagged Edge

If I gave you a key, took all my security  
Close the phone line, no more  
Then would that chapter close?  
Oh, what if I just  
What if I just gave it up?  
What if I just gave it all up?  
What if I just gave it up?

Oh  
Just tryna get my grown man on (Man on)  
Oh-woah  
Tryna give you everything you want, baby  
Ooh (Oh)  
I don't want no safety at all, no  
Ooh  
Don't even need that much privacy, 'cause you're right to me, yeah (Oh-woah)

And ooh, I just need you to listen to me, baby  
And I just need you to listen to me, baby  
Ooh-ooh  
'Cause I love you, girl  
I just can't see my life without you, baby  
And I don't wanna play with you, baby  
You need more from me, baby

If I gave you a key (I gave), took all my security (You won't)  
Close the phone line, no more (Ooh)  
Then would that chapter close?  
Oh, what if I just (Yeah)  
What if I just gave it up? (What if I just gave it all up?)  
What if I just gave it all up? (Yeah)

But this time, I'm tryna make it work, yeah (Ooh)

That ain't it, that ain't me  
She won't just say, "It's all good" (Ooh)  
She won't be nobody's mutt  
When you're with a woman like that  
You won't either (Ooh)  
Now she like you're family, your blood (Your blood)

Ooh, I just need you to listen to me, baby  
And I just need you to listen to me, baby  
Ooh-ooh  
'Cause I love you, girl  
And I can't see my life without you, baby  
And I don't wanna play with you, baby (I don't)  
You need more from me, baby (Baby)

If I gave you a key, took all my security (If I gave)  
Close the phone line, no more
