

# Good Luck Charm

Jagged Edge

She's my light  
My shining star  
She's so dear to me yes she is yes she is  
My guiding star my lucky charm  
Yes she is yes she is  
Whoa whoa whoa oh

Every time that something good happens in my life,  
You're always there for me, looking good by my side,  
Picture you down, pullin' up your panty hose  
And you always got that sexy underwear on  
So much good has come my way  
Since she came in my life  
I'll never push you away or brush you off to the side  
See girl I, I I  
See my luck has changed for the better

See I got so much love for you in these arms-  
Don't you know that you're my good luck charm.  
Where you are forever girl ain't no harm  
Ain't nobody else can borrow it, I won't allow it

See I got so much love for you in these arms  
Don't you know that you're my good luck charm.  
Lovin' you forever girl and never do I  
Wanna go without, my good luck charm

Like a rabbits foot on keys, or some lucky dice  
All I want or need, I ain't gotta ask twice  
Where would I be? what would I do  
Without you looking out for me?  
Probably be, probably be in these streets.

Without you in my life,  
My future ain't the same, no.  
And I'm not wanting the blame  
Baby I, know I been around, I'm  
Tired of messing around, I  
Got so much love

And I'd throw away this ice, and  
Give up my J.E. pieces,  
Just to get a piece of (your love forever)  
And I knew you were a keeper  
So baby girl I'm keepin' you.  
Can't think about letting you go no no  
It seems like every situation I been facing,  
You know what to do to save me  
So I know you bring me love,  
So I'm standing strong like a soldier,  
I know how to hold you,  
I'm saying this to let you know  
I got so oh

See you're my yeah  
See you're my  
See you're my yeah

See you're my
