

# Hard

Jagged Edge

Hard!  
Hard!  
Every single night  
I've been without you girl  
Is just so hard

Gotta take a flight south  
Cause I know that I  
was too hard  
Shoulda been loving you (shoulda been loving)  
I shoulda been loving you (shoulda been loving)

Girl I hate to say, but I gotta get back my name  
I don't really hold my chain  
To have money enough to get on this plane  
And come and get my love  
I ain't leaving til I get my love  
Can you resist my heart and my soul?

I'm saying sorry now (saying sorry now)  
But I know that ain't gonna cut it  
So I'm changing now (so I'm changing now)  
Yes I am (yes I am)

Every single night  
I've been without you girl  
Is just so hard

Gotta take a flight south  
Cause I know that I was too hard  
Shoulda been loving you (shoulda been loving)  
I shoulda been loving you (shoulda been loving)

Really heh  
Oh oh oh ooh  
Really heh  
Oh oh oh ooh  
Really heh  
Oh oh oh ooh  
Really heh yeah

Ain't nobody ever loved me like you  
I just figured it out  
Maybe it's too late for me and you  
I just can't picture that  
(Hope it's not too late, Not too late for us)  
Sometimes I feel like  
Me and you's a must

I'm saying sorry now  
But I know that ain't gonna cut it  
So I'm changing now (I'm changing now)  
Yes I am (yes I am)

Every single night  
I've been without you girl  
Is just so hard

Gotta take a flight south  
Cause I know that I was too hard  
Shoulda been loving you (shoulda been loving)  
I shoulda been loving you (shoulda been loving)

Shoulda been loving  
Shoulda been loving, loving you  
Shoulda been loving  
Shoulda been loving, loving you  
Shoulda been loving

[Ad-libs to fade]
