

Juice

Jagged Edge

Shawty got that juice, that's the juice (Oh)
(Yeah)
Shawty got that juice, that's the juice (Oh)
(Everything real in her boots)
Shawty got that juice, that's the juice (Oh)
Everything real in her boots
We just talkin' 'bout her body, girl, she good
Everywhere in the city, that's that juice (Got that juice, juice)

I just keep it real, I'm a poet
Don't show 'em how I feel, keep it stoic
But with her, I'm lettin' loose
I just hit my turbo boost
Then I'ma beat it down, I'm lovin' what she do, yeah
I'ma juice ya
That's right, I'm squeezin' out the good stuff
Shawty got me hard as stone, I'm callin' her Medusa

Rag top off
Tags pop off
Shawty, she so good, just got some bags dropped off
Shawty, she so good, just put a padlock on it
Shawty, she so good, just put a padlock on it
Padlock on it
Shawty, she so good, just put a padlock—

Shawty got that juice, that's the juice (Oh)
(Yeah)
Shawty got that juice, that's the juice (Oh)
(Everything real in her boots)
Shawty got that juice, that's the juice (Oh)
Everything real in her boots
We just talkin' 'bout her body, girl, she good
Anywhere in the city, that's that juice (Got that juice, juice)

Shawty, she the shit and she know it
But she walk around like she don't even know it
She ain't messin' with no loser
She slip out on the posers
She walk away if she don't feel enough in her soul, bruh
I-I'm leavin' nunca
I'm thinkin' maybe just throw them deuce up
It ain't about me or dressin'
It's business 'til the two of us, yeah, yeah, yeah

Shawty, she so good, just got some bags dropped off
Got her bags dropped off
Padlock on it
Shawty, she so good, just put a padlock on it
Yeah, yeah, yeah
Padlock on it
Shawty, she so good, just put a padlock—

Shawty got that juice, that's the juice (Oh)

Shawty got that juice like it's Tregoose
Call her legendary, OJ, not the produce
Drop her anywhere in the hood, she gon' be good
Like if you let the lion out the change, he gon' be good
Like we good
Always keep her guard like a bruiser
If you let yours down, she might use you
Left her in the town five minutes, she was gang-gang
Don't want it like the mattress, make it bang-bang (Oh)

Shawty got that juice, that's the juice (Oh)
Shawty got that juice
(Yeah)
Shawty got that juice, that's the juice (Oh)
