

Lay You Down

Jagged Edge

When I lay you down
When I lay you down down
When I lay you down
When I lay you down on the floor for you
When I lay you down (when I lay you down)
When I lay you down down
When I lay-ay-ay-ay-ay you down

It's Friday night just got payed freshest cube in a glass of lemonade I was down in Miami flying back today-ay-ay-ay-ay

Call up Nikki she like to get kinky have a good time every time she with me and I'm thinking that I might trip and fall before her

She don't care about what you say she just get it how she knows half of many men even get it on the floor what she show me what she knows now I just be tripping if she dips some where maybe I'm dumb or maybe I'm just sprung now I be tripping if she dips some where and I never thought I'd fall for you

When I lay you down
When I lay you down down
When I lay you down
When I lay you down on the floor for you
When I lay you down (when I lay you down)
When I lay you down down
When I lay-ay-ay-ay-ay you down

This girl she's a classic she owns Reebok a beauty legendary like biggy and pack she stunning like a homie she bang on a block she acting like my body guard yea she's my body guard yea I gotta under my potion I'll bring her to my beach house a view of the ocean I already know it slow motion I already know it slow motion I can't even mind I love it when I'm in it me I'm trying to win it like I'm going for the pi nit (pi nit) love it when I in it baby I be mad if she dips somewhere maybe I'm dumb for a matter of fact I'm sprung that's why I be tripping if she dips some where cause I aint had no batter don't want no batter she asked me when I leave her - never

When I lay you down
When I lay you down down
When I lay you down
When I lay you down on the floor for you
When I lay you down (when I lay you down)
When I lay you down down
When I lay-ay-ay-ay-ay you down

When I lay you down
When I lay you down down
When I lay you down
When I lay you down on the floor for you
When I lay you down (when I lay you down)
When I lay you down down
When I lay-ay-ay-ay-ay you down
