Peanut Budder

Jagged Edge

Hello?
Stop playing
Every time you take them jeans off
Somethin' happen to me

Call her peanut budder
The way that ass spread off from that waist
She's a stunner (yeah, yeah)
Peanut budder
The way that ass spread off from that waist
She's a stunner (yeah, yeah, yeah, yeah)
Punch a nigga dead in his face
Try to disrespect my girlfriend
f*ck anybody up in this place
Try to disrespect my girlfriend
She shaped like a bottle
Sometimes I get lost in the curves of a model
She shaped like a bottle
Sometimes I get lost in the curves of a model

It's more than sex
I love the shape she got
What's good as the sex
Is watchin' the way she walk
Can't hide that ass
With a big T-shirt on, some pajamas
Like I done said
That I like her spread (yeah)
I been all over the world and I tell you firsthand she one of the baddest
Every room that she walk in she be turning necks and she just a bad bitch
Swear she ain't no basic chick
Ain't nothing bout her average
Hustle just to get her chips
She all about her cabbage

Aye, sex games we can play
Nicknames, I got a few for her
She my boo
But tonight (I, I, I, I)

Call her peanut budder
The way that ass spread off from that waist
She's a stunner (yeah, yeah)
Peanut budder
The way that ass spread off from that waist
She's a stunner (yeah, yeah, yeah, yeah)
Punch a nigga dead in his face
Try to disrespect my girlfriend
f*ck anybody up in this place
Try to disrespect my girlfriend
She shaped like a bottle
Sometimes I get lost in the curves of a model
She shaped like a bottle
Sometimes I get lost in the curves of a model

You say that you get what you worth, Ma
Your worth be givin' this work, too
(???) show all of my cars
Your worth be givin' this work, too
I'm clearing all my schedule, too
Hallelujah to the way you walk
Hallelujah to the way you...
It doesn't matter
Whatever you doin', you look even better

Aye, sex games we can play
Nicknames, I got a few for her
She my boo
But tonight (I, I, I, I)

Call her peanut budder
The way that ass spread off from that waist
She's a stunner (yeah, yeah)
