

# Remedy

Jagged Edge

Remedy, JE y'all  
I know what it is  
It's that jagged little thrill right here  
Check this out

Oh, oh, oh...  
Do you think about it baby?

Do you think about it while your working  
While you're working late?  
Feeling like is it something - is it something more than this  
Girl if you need somebody, I'mma bring the Don  
So we can get our bubbles on  
Chilled bottle of Perion  
If you feel, if you feel like you're hungry  
Hey baby I can cook you a meal  
Pick you in an 'lac Deville - can't believe that I'm so real  
Darling it's you I want and it's you I need  
Girl I got the remedy

If you feel it  
Girl I got the cure  
And the key remedy to your body  
You know like when you're weak in your knees girl  
It's me that makes you rush right now after work  
Cause you feel it  
I got it, the rememdy, the remedy

If you feel it  
Girl I got the cure  
And the key remedy to your body  
You know like when you're weak in your knees girl  
It's me that makes you rush right now after work  
Cause you feel it  
I got it, the rememdy, the remedy

In the morning when we wake up at sunrise, yeah  
Relaxtion over you body  
You can't deny  
Wanna leave, I'mma kiss you bye  
I know last night did you right  
I'm just tryna be the man you like, girl  
Baby got a feelin' you be feelin' me when you're at work today  
Cause you know I did my thing  
And whenever you need a cure  
Just call me I'll be yours  
Anytime you need a remedy baby

If you feel it  
Girl I got the cure  
And the key remedy to your body  
You know like when you're weak in your knees girl  
It's me that makes you rush right now after work  
Cause you feel it  
I got it, the rememdy, the remedy

If you feel it

Girl I got the cure  
And the key remedy to your body  
You know like when you're weak in your knees girl  
It's me that makes you rush right now after work  
Cause you feel it  
I got it, the rememdy, the remedy

Day in, day out all I think about  
Is the time I spend just loving you, my girl, my boo  
Anything you need, I got the remedy  
Yes I do, oh, oh, oh  
Girl if it's love that you want from me  
Then it's love I'm gonna provide, yeah  
Said my arms are here  
And they're open wide  
I'll be your, your remedy

If you feel it  
Girl I got the cure  
And the key remedy to your body  
You know like when you're weak in your knees girl  
It's me that makes you rush right now after work  
Cause you feel it  
I got it, the rememdy, the remedy
