

# When the Bed Shakes

Jagged Edge

Ooh, ooh hoo ooh  
Ooh, ooh hoo ooh, ooh  
(J.E., y'all)  
Ooh, ooh hoo ooh  
Ooh, ooh hoo ooh, ooh

When this bed shakes, ooh  
I'm feelin' the earth move and seein' the stars shine  
When this bed shakes, girl  
It's gonna be alright, alright  
When this bed shakes, ooh  
I'm breakin' through mountains and floatin' through valleys  
When the bed shakes, ooh  
It feels like it'll be alright, alright (J.E., y'all)

And you know I got my swag just right  
When we'll be surfen' on my couch tonight  
The way I got this bed shakin' (Shakin')  
You'd swear you was on some waves, girl  
I go hard for it  
What you think you need, just tell me, I'm on call for it  
Then you get me prepped and I'ma let you put form on me (Me)  
Feels like the earth is movin' under me  
This bed is shakin' all around (Shakin' all around)

When this bed shakes, ooh  
I'm feelin' the earth move and seein' the stars shine  
(Til the stars shine, yeah, yeah, yeah)  
When this bed shakes, girl  
It's gonna be alright, alright  
(It's gonna be alright)  
When this bed shakes, ooh (Yeah, yeah, yeah, yeah)  
I'm breakin' through mountains and floatin' through valleys  
(I'm floatin', baby)  
When the bed shakes, ooh (I'm floatin', baby)  
It feels like it'll be alright, alright (Oh, oh, oh yeah)

(I know I'm feelin') Know I'm feelin' mannish tonight (Tonight)  
Had our problems but they're all solved tonight  
You know I'm feelin' better when you be feelin' better and  
No one could get stanned and perform like a veteran (It's better then)  
It's hocus pocus in the streets, I'm so focused in the sheets  
Bumpin' and we're rollin' like we're ridin' on some D's  
I'm so high, hypnotized by, you

When this bed shakes, ooh  
(Oh, oh, yeah, yeah)  
I'm feelin' the earth move and seein' the stars shine  
When this bed shakes, girl  
It's gonna be alright, alright  
(Yeah, ooh ooh ooh)  
When this bed shakes, ooh  
(I love when we're rockin' and rollin')  
I'm breakin' through mountains and floatin' through valleys  
(Rockin' and rollin', girl)  
When the bed shakes, ooh (Yeah)  
It feels like it'll be alright, alright (Alright, girl)

When I ain't around her, it sucks (Ooh)  
You're my number one go-to girl in millions (You're my)  
Thought I was seein' stars, but baby, you're the only star that's up in the  
air, up in here  
Bed ain't the only thing in this shakin'  
Your body twist and wind around like you was Jamaican  
Pass the dutchie on the left hand side (Ooh ooh)  
And then we need a light, in this thing, alright

When this bed shakes, ooh  
I'm feelin' the earth move and seein' the stars shine  
(Yeah, yeah, I feel it when it shines)  
When this bed shakes, girl  
It's gonna be alright, alright  
When this bed shakes, ooh (Yeah, yeah, yeah, yeah)  
I'm breakin' through mountains and floatin' through valleys  
(Through valleys)  
When the bed shakes, ooh  
It feels like it'll be alright, alright

Baby, where we go in town, feel it move when, oh oh oh  
Feel it move, feel it move  
Ooh ooh, ooh hoo ooh  
Ooh ooh, ooh hoo ooh ooh  
Ooh ooh, ooh hoo ooh  
Ooh ooh, ooh hoo ooh ooh
