

Brighter Day

Jah Cure

We see what's going on
The world is in a state
Like nobody cares anymore
With no one to turn to
The streets become dem mentor
With troubles outside our door

I have visions of better days, yeah yeah yeah
When we are fighting no more, eh
I wish this was a reality yeah, yeah yeah yeah
When love conquers them all

Please Jah send us a brighter day, yeah yeah yeah
Please Jah Jah send us a brighter day, yeah
I said please send us a brighter day, oh Jah Jah
Please help Montego Bay
Jah Jah we need you

Still, love will conquer every evil every war
Almighty is the answer only [?] going on
Don't ever give in, the hurdles only make you stronger
If you believe in justice, eh

I have visions of better days, yeah yeah yeah
When we were fighting no more, eh
I wish this was a reality yeah, yeah yeah yeah
When love conquers them all

Please Jah send us a brighter day, yeah yeah yeah
Please Jah Jah send us a brighter day, yeah
I said please send us a brighter day, oh Jah Jah
Please help Montego Bay
Jah Jah we need you

Please Jah send us a brighter day, yeah yeah yeah
Please Jah Jah send us a brighter day, yeah
I said please send us a brighter day, oh Jah Jah
Please help Montego Bay
Jah Jah we need you
