

# I Surrender

Jah Cure

Uh, uh, I'm a good man  
I do the best things I can  
I can tell you really want that  
Watch this

Uh, look what I've been through  
Paid my dues times two  
What the world need to do, yeah  
They're working overtime  
They don't want to see me touch the sky  
Don't care about my different type  
Thats when I remember  
Only God can judge me

I surrender, oh my Lord no  
He will never  
Never let me fall, yeah  
Never let me fall, no  
Oh why  
Never let me fall, oh Jah

They, they wanna see me in chains  
See me fall from grace  
Till we got it at the chase, yeah  
But I'm working overtime  
My dreams will never die  
Thats when I'm getting tired  
Thats when I remember  
God one day will save me

I surrender, oh my Lord  
He will never  
Never let me fall, yeah  
Never let me fall, no  
Oh why  
Never let me fall, oh Jah

Uh, now I feel like Jah is by my side  
Uh, Jah I feel like  
Hey Jah  
Jah is by my side, Jah is by my side

I surrender, oh my Lord, oho  
He will never  
Never let me fall, yeah  
Never let me fall, no  
Never let me fall, oh Jah
