Longing For

Yea you know Only you, only you Only you can make me feel Just like a king Love you give to me so real Makes me give in Girl, just like magnet to steel Your love keeps pulling me in If it's a battle I'll fight for you I have to win To prove to you my love Is so deep within It's even getting deeper Since I reach prison Longing for My baby to love me more What am I longing for? Babylon release the Cure What am I longing for? My baby to love me more What am I longing for? Babylon release the Cure When, when, when, when Can we see each other again? When, when, when, when Can we see each other again? I know there's someone must be there comforting you Whenever you need a friend I'll make you mine, give me some time I'll surely make you mine It may be long now forever I vow to get myself together I love you baby, always on my mind No matter the time What am I longing for? My baby to love me more What am I longing, longing, longing? What am I longing for? My baby to love me more What am I longing for? Babylon release the Cure Only you can make me feel

Just like a king

Makes me give in

Love you give to me so real

Jah Cure

Girl, just like magnet to steel Your love keeps pulling me in If it's a battle I'll fight for you Surely win

To prove to you my love Is so deep within It's even getting deeper Ever since

What am I longing for? My baby to love me more What am I longing for? Babylon release the Cure

What am I longing for? What am I longing for?
