

Love Is The Solution

Jah Cure

(CHORUS) x2

Love is the only solution
can stop a revolution
jus free your meditation
from war and illusion

Revolution is ah tale
so my people check your place
tings and time have changed
you need some different kind of face
mek sure you dont stand and sink in sand
when Jah ready ta tek HIS place
the four kings of the earth be wise
jus ???? aside

(CHORUS)x2

Love could set us free
Cause thats the only thing
We've gotto hold on tooo why woiiii
Tho it nuh be the way its supposed ta be
Sometimes we've gotto face reality why woiiii

(CHORUS)x2

Not everyting you wish for
not always come trueeeee
Give thanks for who you are
and what you wanna be
Fighting to be the star
in dis ah tribal war

Love is the only solution
stop ah revolution
free your meditation
from war and illusion
