

Work It Out

Jah Cure

All the tings I did to you
Never meant any wrong
I just wanted to love you
Like the words of a song, ooi
You are my inspiration
The reason to wake up in the morning
Now I'm mourning, 'cause I lost my baby girl

'Cause your loving wasn't based upon material, no
Now I can't listen to my stereo, no
None of us our perfect neither me or you
No matter how I try it seems I'm losing you

Work it out (Always in my head)
Work it out (Still in my bed)
Work it out (Gotta work it out)
Work it out
Oh baby baby
Work it out (Some hard words for you)
Work it out (Always be true)
Work it out (Yeah)
Work it out
I'm always your soldier

I'd be lying straight to you, if I said I moved on
But despite all we've been through
Boy my love is still strong
Wanna try to move forward
But it's so hard to forget promise me that you won't hurt me again
'Cause I can't take any more lies
Another alibi and it's goodbye

Your loving wasn't based upon material, no
Now I can't listen to my stereo, no
None of us are perfect neither me or you
If we're gonna save this love here's what we need to do

Work it out (Always in my head)
Work it out (Still in my bed)
Work it out (Gotta work it out)
Work it out
Oh baby baby
Work it out (Some hard words for you)
Work it out (Always be true)
Work it out (Yeah)
Work it out
I'm always your soldier

Work it out (Always in my head)
Work it out (Still in my bed)
Work it out (Gotta work it out)
Work it out
Oh baby baby
Work it out (Some hard words for you)
Work it out (Always be true)
Work it out (Yeah)
Work it out

I'm always your soldier
