Jaheim

Can I plow your green home-grown  
Pretty face, long  
Paper in the bank strong  
Rain (aholic)  
I'm a sneaker phene  
Denim Jean junkie  
Addicted I need intervention  
Help me kick this monkey  
Horses running in a coupe  
Although four door  
Final four so bored  
Dollars on the strip club floor  
(aholic)  
All the tips that could roll one Take a and hold it in  
Let her cook for a nigga  
Hide a gun, hit the hood  
And now I've finally won  
I'm a bra and panties matching  
Flick aholic  
Smash another hitter back  
And laugh at that aholic  
I'm a payday walking in the mall

Aholic  
Oh oh  
I am what I am doing the best I can

I'm a natural born man  
Take it or leave it I was raised in these streets  
Wouldn't change a thing  
Look what the hustle made me

And I know I gotta die
