

# If Someone Asks

Jaheim

Didididiritdi  
Na na na na  
La la la la  
Oohooh  
I don't know  
Na na na na  
I don't know  
Oohh

I don't know what to say what  
What to tell him so I tell him  
You're ok  
And I say I just saw you  
The other day and  
I don't know what else to do  
Ohh..  
Then this time is too small  
Every summer every fall  
Feel the walls goes and in  
I'm reminded of you again  
And I don't know what else to do  
Oohh

I'm moving to the other coast  
Don't know where to go  
But I won't be haunted the mem'ry  
Of a ghost  
When you hear me so much  
In Someplace nowhere baby

I put all of these feelings  
In my rear view mirror good  
If i could then someone asks me  
Bout' be you girl  
Ohhh  
But someone asks about you  
If somebody says your name  
When somebody  
I know it's about you  
I get you but  
I get all short term  
Like it just happened yesterday

There were that one day  
Then you ward but the tape was  
It all been turned and then

The bed that we shared  
That's the spot  
When you're not having got the slightest clue  
And I don't know what else to do  
(don't know what else to do)  
Ooh went to the other girl  
Only when I call  
Well i want to by the mem'ry of a ghost  
When you hear me so much  
In Someplace nowhere baby

I put all of these feelings  
In my rear view mirror good  
If I could then someone asks me  
When somebody mentions your name  
When somebody  
Asks about you  
I get you but  
I get all short term  
My God just happened yesterday  
My girl and I  
My heart still beats for her  
(it beats for her)

What people won't let me let it down  
Bringing you when everytime they see me around

When someone asks about you  
When somebody mentions your name  
When somebody asks about you  
(I get short term i get all short term)  
Like it just happened yesterday  
I don't know what to say what  
What to tell him so I tell him  
You're ok

I dont know hoooo  
Lalalala.. hohooo
