

Masterpiece

Jaheim

When she walked past the corner store I said hello what's your
name she said Tracy Danis
hello long hair, tight jeans, and stilleto conversation so good
didn't want to let go shorty your
a perfect 10 classical like violin I just can't settle for a friend
I need to know you more

You a masterpiece from your head to your feet well educated plus
you so complete them
other gurls be hatin cause you so unique I love u cause you from
the streets how can I be down
with u shoot a couple rounds with you drop the mackin' down on u
and love we can do what u wanna do

I know I saw u round before bouncin on my block I saw u twice shopping
at the mall still
lookin sweet and tender u got that smile that I'll always remember
I only wanna get together love
I'm tryna know u better we can make it last forever I can't get
u out of my mind

Tell me why you tryna play the kid out love stop frotin can a brother
take u out some
where I gotta lot of quality time to share gurl just say the word
and I'm there all I wanna do is
maybe hit the clubs have a few drinks grab a bite to eat and head
to the crib so I can do my thing
gonna have u up under my wing
