

## Waitin' On You

Jaheim

Yeah, uh, oh yeah  
Sit right here girl let me talk to you  
'Bout something's that we've been going through  
But still would I try to make it last  
If I gotta take up time we can move to fast  
Now I'm not the type of cat to hit and run  
Girl I swear that you're the only one  
Now what I am girl is a lovin' man  
While love is just wanna smack and smash that ass  
Kick it fast

One, two what you wanna do?  
(Ain't even gon' front girl I wanna tear it up now)  
Two, three baby what's it gonna be? You ain't gonna get  
no pippey so you better keep watchin' me  
Love and you tryna play me like I'm news  
(Girl you got it twisted I'll be waitin' on you  
Waitin' on you, girl you must be trippin' I'll be waitin' on yo  
u)

Baby girl you know I'm stuck on you  
And I'll do just what you want me to  
Whatever it is I am pleased for your love  
Give my all my needs  
I wanna touch you right here  
Kiss you right there  
However you want it baby  
I don't care  
But if the night start right  
And that's okay I love you anyway  
Your JaJa's here to stay

After all this time  
I've been with you baby  
Do you anna act up talkin' slick  
You talkin' crazy (Crazy)  
You know you mean the world to me  
Out of all the places in this world  
Theirs not one place I'd rather be  
So stop actin'' like you wanna be alone  
If you felt that way we would of never fall  
And if the night start right  
That's okay I love you anyway  
Your JaJa's here to stay
