JAHKOY

Coco for breakfast  
Dishes on the mattress  
This shit up for taxes  
I don't understand it  
But we gone  
Sipping on patron

Coco for breakfast  
This shit up for taxes  
We just on the mattress  
I don't understand it  
But we gone  
Sipping on patron

Don't play with me  
Oh na na na  
I'm dangerous  
Don't play with me  
Oh na na na  
I'm dangerous  
Don't play with me  
Oh na na na  
I'm dangerous  
Don't play with me  
Play with me  
I'm dangerous

Don't come with that fake shit  
Got the recipe  
Everything is set in stone  
What you need?  
I got lots of dope  
And I got lots of leafs

Always there when you want  
And I'm always there when you call

You state the truth  
I state my youth  
I state it here

You get that boot  
I tell you  
Nothing you gon fear

This shit the real  
This shit go straight up in your ribs  
Hold it like this

It ain't fair  
It ain't fair  
It ain't  
It ain't fair  
It ain't fair  
It ain't  
That's just how the game go  
This ain't like no bingo

It ain't fair  
It ain't fair  
It ain't  
It ain't fair  
It ain't fair  
It ain't  
That's just how the game go  
That's just how the game go

Coco for breakfast

We just on the mattress  
I don't understand it
