

Don't U Call

JAHKOY

Picking up the pieces
That you left behind
You better never front on me then need me
And that's my life
Feeling like I shoulda cheated
All the misery wasn't needed
I came to you for loving
Looked at you like something real
You were my best friend
Told you everything
Even when I'm stressed having problems with my momma
Down to when its work and I'm discussing all the commas, oh yeah
And it's not hot
When you be calling me 3 in the morning
To tell me you just fucked up
And it's not hot
When you be acting the way that you do
Waters getting deep
And when he doesn't give you
The satisfaction that you need

Don't you call on me
Oh nah nah nah
Don't you call on me, me, me
Oh nah nah nah nah
You better back up off of me
Oh nah nah nah
Don't you call on me, me, me
Oh nah nah nah nah
So you don't you call on me

Lotta things done changed around me
Bad bitches wanna stay surrounding
No Ken, got nothing for a Barbie
Unload one if they be fucking with my chargie
I swear I told you, it's been old news
Every now and then I hit the club now
You got my mind on up down
I just bought a condo uptown
I can't go where we used to go (Nah nah)
I gotta check on you
I gotta check on you says
Don't get too comfortable, I gotta flex

Don't you call on me
Oh nah nah nah
Don't you call on me, me, me
Oh nah nah nah nah
You better back up off of me
Oh nah nah nah
Don't you call on me, me, me
Oh nah nah nah nah
So you don't you call on me

You better put your phone down
Phone down now
Better put your phone down

Phone down now
When you see me
Better put your phone down
Phone down now
See me doing good oh nah nah

Don't you call on me (Said don't you call on me)
Oh nah nah nah
Girl my love ain't free, ain't free, ain't free
Oh nah nah nah nah
You better back up off of me
Oh nah nah nah
Don't you call on me, me, me
Oh nah nah nah nah
So you don't you call on me

Don't you, don't you
Call on me
Don't you, don't you
Call on me
