JAHKOY

Eros run it up
Yeah

After catching me with 3 O's
I'm back on the re-up
I know that they see us
Paint on the new truck
Sicko side with my woes
Derrick rose the knee up
And I might need a prenup
I need 2 bitches for leisure
And my new bitch need everything
Straight from Houston with a hand bag
She ain't come with nothing but a hand bag
She ain't come with nothing but a hand bag
I just took a 12 hour flight now I'm jet lag
Still remember what you did last summer
And I might need a prenup
I need 2 bitches for leisure

Latisha, Felicia, my Senoritas
I leave you cold sometimes
But I try to be there
Taking it hearts to heart
Lit a match cause you're ready to spark
Familiar with what you do in the dark
You'll be using me til I'm falling apart yeah
Had a limit on my card
No limit tonight, no limit tonight
Like Biggie Smalls, R Kelly
Girl I'm fucking tonight, yeah I'm fucking tonight
Too tired playing humble, now I'm ready to rumble
And no I'm not the same, I'm not the same guy

After catching me with 3 O's
I'm back on the re-up
I know that they see us
Paint on the new truck
Sicko side with my woes
Derrick rose the knee up
And I might need a prenup
I need 2 bitches for leisure
And my new bitch need everything
Straight from Houston with a hand bag
She ain't come with nothing but a hand bag
She ain't come with nothing but a hand bag
I just took a 12 hour flight now I'm jet lag
Still remember what you did last summer
And I might need a prenup
I need 2 bitches for leisure

2 bitches
I need 2 bitches
I need 2 bitches
I need 2 bitches
I need 2 bitches
2 bitches

I'm back on the re
2 bitches
